The candidate named above has applied to serve as a mentor for a child through JUMP for Kids. As a "JUMP mentor," the candidate will be expected to meet with his/her "JUMP mentee" for at least one hour each week for one year with the primary goal of building a strong friendship. As the JUMP Board of Directors matches adult mentors with children, they must carefully consider the character of both. You have been asked to reflect on this candidate's personal qualities and qualifications. Your candid observations will be most helpful because our primary interest is to create healthy, safe, productive and lasting matches.
