

With so much focus on the negative things going on in the world, people sometimes wonder what they can do to actually make a difference. Mentoring changes our world for the better! No, you can't help every person or every child, but you can make an incredible difference for one child.

- Plant your garden
- Geocaching
- The North Overlook Playscape
- Tennis courts at Kiwanis Park
- Play baseball, softball or frisbee
- Check out the wild flowers on a hike at Lake Red Rock
- Make a scavenger hunt
- Look for tadpoles
- Canoeing at Roberts Creek
- Golf
- Learn a new board game
- Fly a kite
- Bike trail
- Gaga ball at Caldwell
- Fifield Beach
- Picnic
- Rollerblade
- Frisbee golf at Big Rock Park

Kids Klompen Classis
Wednesday, May 5
5:30pm
Downtown
FREE

Mouse Trap Car Challenge.

Here's the challenge. Work with your mentor/mentee to build a car that is powered entirely by a mouse trap. JUMP will provide the mousetraps. If you would like to participate, contact Jill and we will get mousetraps to you. You're welcome to make more than one car if you want.

We will race the cars at the BBQ, prizes for the winners!
